ABOUT ME

I am a technology enthusiast, working every day to improve the state of the art and deliver smart solutions for real-world problems.

SOFT SKILLS

Goal Oriented

Eye for Details

Strong Motivator

Always Learning

Always Improving

TECH INTERESTS

Microservices

Git

Docker

Distributed Computing

Cloud Computing

Blockchain

Solidity

Relational Databases

No-SQL Databases

Data Science

Deep Learning

Natural Language Processing

LANGUAGES

Italian: **Native**

English: **Intermediate / B2**

EDUCATION

Master Degree in 'Computer Science' | Sapienza University

10 2020 - 10 2022

Rome, Italy - Courses held in English

- Curriculum in Software Engineering.
- Final thesis: Automated extraction of object-centric event logs from smart contract executions: *Modelling language and implemen ...* (Supervisor: Claudio Di Ciccio)
- Final score: 110/110 cum Laude

Bachelor Degree in 'Informatica' | Sapienza University

08 2017 - 10 2020

Rome, Italy

- Final internship: Deep Learning Sentiment Analysis (Supervisor: Roberto Navigli)
- Final score: 110/110 cum Laude

Diploma in 'Informatica e Telecomunicazioni' | IISS J.Von Neumann

09 2012 - 07 2017

Rome, Italy

- Final project: Giarduno, an IOT embedded system for plant watering.
- Final score: 100/100

BOOTCAMPS, COURSES & PORTFOLIO

Summer Schools and Language Schools | 🌐

- BUCA (Billion User Cloud Application) by Google - June 2022, Bertinoro. Scholarship winner.
- Currently enrolled in an intensive English course (B2), British School Group.

Udemy Certified Courses | 🌐

- Time Series Analysis, Forecasting, and Machine Learning
- Artificial Intelligence: Reinforcement Learning in Python
- Ethereum Blockchain Developer Bootcamp With Solidity (2022)

Projects Portfolio | 🌐

You can find a part of the public projects in which i have worked on, in my GitHub personal profile. They range from machine learning and big-data pipelines, to microservices-based systems, alexa skills, blockchain applications, and so on.

WORK EXPERIENCES

Assistant Pizza Chef | Ristorante Masaniello

03 2020 - Today (During the studies, in weekend days.)

Monterotondo (RM), Italy

Pizza Delivery Man | Pizzeria Joe West

03 2020 - Today (During the studies, in working days.)

Monterotondo (RM), Italy
